Women Transitioning through Separation or Divorce A Free Seminar

Ocean Park Library
12854—17th Avenue

For many reasons, relationships that we hope will stand the test of time sometimes don't. If you find yourself going through a relationship breakdown, coping with the emotional, legal and financial aspects can be very difficult.

Join us for a free seminar designed to inform and empower you as you navigate your way through this potentially challenging time.

- *Learn about the Collaborative Family Law Process—divorce in a respectful and amicable manner*
- *Let go of the old dream, become clear on what you want and make empowering choices*
- *Achieve an equitable financial settlement*
- *Organize your financial affairs*
